PREFACE

The Directory has been compiled by the Cooperatives Division of the Ministry of Business, Enterprise and Cooperatives to provide information to persons and institutions willing to contact cooperatives to avail themselves of products and services offered by cooperators/cooperative societies.

All listings in this Directory are voluntary and are subject to periodical updates.

The Directory includes an index classified by product/service type and an alphabetical listing of cooperative organisations in Mauritius and Rodrigues.

The listing includes name and address of cooperatives, their products and services classified in various categories, and contact details of the Secretary and/or President of the cooperative.

The Directory is also available on the Website of the Ministry of Business, Enterprise and Cooperatives (Cooperatives Division) at the following address:

http://cooperatives.govmu.org.
MESSAGE OF HON SOOMILDUTH BHOLAH,
MINISTER OF BUSINESS, ENTERPRISE AND COOPERATIVES

I am deeply honoured and pleased to launch the Directory of Cooperative Products and Services for Mauritius and Rodrigues. This Directory is an important marketing tool for cooperatives and cooperators, and is also an instrument to increase the visibility of cooperatives in Mauritius and Rodrigues.

In 2015, the Cooperatives Division of my Ministry launched a three-year Action Plan for the Re-Engineering of the Cooperative Sector. The Action Plan 2015-2017 sets out the programmes and activities that would assist in the re-engineering and rejuvenation of the cooperative movement in Mauritius. One of the programmes of the Action Plan is the production of a Directory of Cooperative Products and Services. The publication of this Directory brings immense satisfaction as well as a deep sense of accomplishment to me.

The main objective of this Government is to shape a second socio-economic miracle for Mauritius and the focus is on addressing unemployment, alleviating poverty, promoting sustainable development and innovation. My vision is to make the cooperative movement a key partner in achieving this goal. In this respect, my Ministry is leaving no stone unturned to empower cooperatives, and assist them in their consolidation, promotion and development.

The publication of this Directory is one of the services that my Ministry is putting at the disposal of cooperatives. The Directory will also be posted on the website of my Ministry.

I would wish to congratulate my staff for this endeavour and also thank all cooperatives from Mauritius and Rodrigues which have expressed their wish to be included in this Directory.

Hon Soomilduth Bholah

COOPERATIVES IN MAURITIUS

Cooperative societies in Mauritius are regulated by the Co-operatives Act 2005, as amended. A cooperative society may be set up with at least five members and a minimum share capital of Rs5,000. Cooperative societies are owned and managed by their members.

The first cooperative society in Mauritius was registered in the sugar-cane sector in 1913 as a cooperative credit society. The co-operative credit societies were set up to provide credit and marketing facilities to the small cane planters and to reduce the dependence of the small cane planters on private money lenders and brokers. People recognized the potential of cooperatives in enabling them to improve their standard of living and moving up the social ladder. With time, cooperatives diversified and after more than 100 years of existence, the movement has expanded considerably and encompasses some forty different socio-economic activities.

The Cooperative Movement in Mauritius has a three-tier structure: tertiary societies which are formed by secondary societies; secondary societies which are formed by primary societies; and primary societies. Presently, there are 13 active secondary societies also referred as cooperative federations, and 1,041 active primary societies also referred as cooperative societies. No tertiary society has yet been formed.

The main economic activities undertaken by cooperatives in Mauritius:
- production and marketing of sugar cane
- production and marketing of vegetables and fruits
- production and marketing of tea
- fishing
· livestock breeding
· public transport (bus owners)
· savings and credit – cooperative credit unions
· cooperative retail shops
· handicraft
· agro-processing and food items
